BIRDS
of
PREY

Three photographs of birds of prey that reside at the Blackland Prairie Raptor Center. The project includes three 7x11" Polymer Photogravures on Rives BFK paper. The prints are mounted and presented in a collapsible presentation structure inspired by Sarah Horowitz and Rory Sparks. Each are titled with the bird's name, species common name, and scientific name. These are then housed in a 3-level slipcase outer structure.

Handset letter press throughout using 18pt Engravers, 24pt Blado Italic, and 12pt Caslon.

Edition of 25 +5 APs. \$3200.
